

INKA Entworks further expands its global footprint opens Bengaluru office for growing customer base in India

MUMBAI, INDIA, March 29, 2022 /EINPresswire.com/ -- [INKA Entworks](#), a leader in content and mobile app security technologies, announced the opening of its new office in Bengaluru. This new office will further expand the reach of INKA's security solutions and its software products – [AppSealing](#) and [PallyCon](#) in the continent. Asia has become INKA's fastest-

growing market, and the new office will enable INKA Entworks to better serve its customers in Bengaluru and agility in responding to the evolving needs of its existing and new clients. In a statement released to the public, the company said it was looking to bring more clients in the Fintech, banking, gaming, and e-commerce sectors.

Backed by high 5X growth in the past 5 years, the company has been on an expansion path globally, as part of its strategic focus to provide an on-shore and near-shore capability to its customers.

Govindraj Basatwar, Managing Director, APAC, said "In line with our aggressive expansion plans, India is an important market for INKA Entworks, and our new office further emphasizes our long-term commitment to the market and clients. We are on a mission to deliver robust and innovative security solutions that are easy and fast to deploy at an affordable price to protect valuable assets and businesses from SMEs to Enterprise-class customers in India"

"We are proud to strengthen our teams in India at a time when the COVID-19 outbreak has pushed companies to adopt digital transformation agendas faster than ever before. India presents a massive opportunity—both in terms of business growth and harnessing a highly educated technical workforce," James Ahn, Founder and CEO, added.

About INKA Entworks-
