

Government Technology Names Top 25 Doers, Dreamers and Drivers of 2022

Annual awards program honors visionary public-sector technology leaders.

SACRAMENTO, CALIFORNIA, UNITED STATES, March 30, 2022

/EINPresswire.com/ -- [Government Technology](#) magazine today

announced its 2022 Top 25 Doers, Dreamers and Drivers. Now in its 21st year, this year's Top 25 honorees are

23 individuals and two teams who are innovators, collaborators and transformers driven to improve state and local government through technology.

Featured in Government Technology's April/May issue, this year's roster of honorees includes county CIOs and agency leaders, state CISOs and diversity advocates, and technologists working behind the scenes to keep the public sector running, who are all striving to improve services and quality of life across the country. See the full list of winners below.

"The 2022 class of Doers, Dreamers and Drivers is an impressive group of leaders whose work is driving important changes in how government serves constituents," said Noelle Knell, editor of Government Technology magazine. "Our hope is that their stories will inspire readers, as they did us, to continue to seek opportunities to modernize and transform their organizations."
