“

Earlier this year The Thorium Network launched the Unintended Consequences series based on the work of Dr. George Erickson.”

Dusya Lyubovskaya

Switzerland has selected Dr. George Erickson's, "[Unintended Consequences: the lie That Killed Millions and Accelerated Climate Change](#)," to help educate people on the need for safe, carbon-free nuclear power, particularly when fueled with safe, highly efficient Thorium.

Dr. Erickson of Eveleth, Minnesota, USA is a best-selling author, former VP of the American Humanist Association, a member of the National Center for Science Education and a member of a group of 90 independent energy and

environment professionals who are deeply concerned about climate change. His writing has been praised by Dr. James Hansen, the former Chief Climate Scientist at NASA as well as many others.

The Thorium Network is serializing Dr. Erickson's book and can be found on the website of The Thorium Network :

The graphic is divided into two horizontal sections. The top section has a white background and contains a glass mug of beer with foam on the left, a thorium symbol (a circle with 'Th' and three orbiting electrons) in the center, and a bunch of three yellow bananas on the right. A large black ampersand (&) is positioned between the beer mug and the bananas. The bottom section has a solid grey background. On the left side of this section is a smaller version of the thorium symbol. To its right, the title 'Beer and Bananas' is written in a large, white, sans-serif font. Below the title, two lines of text are written in a smaller, white, sans-serif font: 'Want to know what it's really all about?' and 'Unintended Consequences will keep you informed.'
