ABOUT

Million Dollar Family (MDF) is a multi-talented brand, led by the timeless motto that "our talent is our brand". The group aims to provide and produce not only music but merchandise and other pieces of imprint as well. Million Dollar Family's goal as a brand is to establish MDF recreational centers that provide youths with critical equipment and mentoring needed to help flourish young talents and pave their path into the industry.

Growing up, Shug Music 414 was always inspired to pursue music, mainly because of his mom who loved playing Snoop Dogg and Lil Boosie- artists who really directed his musical interests. At an early age MDF was introduced to icons of Trap music and was catalyzed to mold his Rap from artists such as Meek Mill, Joyner Lucas, and Drake, who helped inspire his versatility. As Shug Music 414 got older, he learnt how important engineers and producers are to music and turned his focus to people like London on the Track, Dj Swivel, and Metro Boomin.
