They are helping build the fastest growing community and marketplace for real estate, all while making the industry better. Also, a big thanks to the team at RealTrade and 1909. About 1909

1909 is a nonprofit organization dedicated to the holistic growth of creators in Palm Beach County, offering members access to a one-of-a-kind, collaborative community, workspace, accelerator programs, and mentorship. 1909 was formed in 2018 to build the kind of space and community that the founders—along with fellow Palm Beach County creators and innovators—sought for themselves. Since opening its doors, 1909 has welcomed many creators who have helped lead the organization forward and adapt where needed. We are proud to be creating a more decentralized organization that allows talented people with unique perspectives to shape and contribute to the future for all of us.
