LOS ANGELES, CA, USA, March 30, 2022 /EINPresswire.com/ -- [Junior League of Los Angeles](https://www.einpresswire.com/) (JLLA) invites families with children of all ages and adults alike to climb aboard a variety of vehicles at the 3rd Annual Touch-A-Truck event on Sunday, April 24, 2022.

"We're thrilled to be hosting our 3rd year of Touch-A-Truck™," said JLLA President, Sarah Christian. "This annual community event not only gives kids a chance to get their wiggles out and expand their growing minds by exploring trucks and vehicles, but proceeds from the event go right back into our community focus areas. We help strengthen the self-esteem and empowerment of transition-aged foster youth and provide educational opportunities for unserved students seeking higher education."

Touch-A-Truck™ is a family-friendly event designed to allow children to explore, climb, and touch vehicles of all shapes and sizes. There will be fun for everyone in the family – meet the people who build, protect, and serve Los Angeles County or

get creative at the arts and crafts table.

Among the vehicles on display at this year's event will be a Fire-in-Motion firetruck with a splash zone where kids can enjoy playing in the water. 1-800-Got-Junk will also be dropping beach balls out of their truck bed for a fun game. Guests can see a fire truck, police car, and construction vehicles up close, as well as experience The Mosquito S.W.A.T Lab program. S.W.A.T. provides fun and educational activities that promote student comprehension and learning.

Touch-A-Truck™ event attendees will also have the opportunity to enjoy face painting, kids' games, and the musical stylings of DJ Portira's DJ Truck. Food trucks will also be on-site offering lunch and snacks for purchase.

"We are incredibly excited to partner with the Junior League of Los Angeles and host their third annual Touch-a-Truck™ event at Westfield Topanga & The Village," said Audra Cheney, Marketing Director, Westfield Topanga & The Village. "We see this as a wonderful opportunity for the families in our local community to connect with and celebrate the individuals who take care of our community day and night."
