“

“We laughed a lot, saw the sun come up every morning, and set every night. Dale continued to play his trumpet and we both continued to work, teach Sunday School and play with the grandkids.”—”

Kay Thompson

be one of the featured authors in the upcoming London Book Fair 2022 with her published book titled Finding JOY in the Midst of Grief: Continuing in God’s Loving Grip Through Loss of a Loved One. In the lasting memory of the author, her husband’s life changing illness and challenges have been shared to help others find their way through their own journey of life’s challenges, problems, love, sadness, affection, and marriage. The author lost her husband after battling Parkinson’s disease and Stage 4 colon cancer. They were married for 44 years. The last 3 years were spent coping, and battling illness together while believing that God was with them. Their faith and trust in God helped them understand that God will never take you

on a path where He will not/cannot protect you.
