The Moving Words Review.

“The best book on leadership/mentorship I have ever read. I had the pleasure of working for Captain Dana Gordon for several years, and I can tell you there isn’t anyone better! Reading this book was like taking a trip down memory lane, it provides insight into the best leader I have ever worked for. I would highly recommend this book to anyone! The thoughts and wisdom shared in this book applies to anyone that is a part of a team, or in a leadership position, or looking to become a better leader!” — Amazon Customer

Review.

“Take the day or weekend to sit down and learn from Captain Gordon and his mentors, coaches, and leaders that helped create the outstanding individual that commanded the USS Iwo Jima

and under his tutelage created many more leaders to carry on the great leadership tradition. Give TEAM: Training, Education, and Mentorship the time, and you will find new ideas and reinforce ideas you already have but, you will see they are in target and have been a part of leadership in many forms.” — Reviewed by Roy Peek, Goodreads Review.
