Psychologist's Years of Professionalism Leaves Behind a Stepping Stone for Others Through This Novel

LONDON, UNITED KINGDOM, March 31, 2022 /EINPresswire.com/ -- Dr. George Demos, ABPP released An Introduction to Counseling, a book that serves as an introductory learning tool for the counselor-in-training. Dr. Demos intended his book to be displayed on shelves not just as a simple research book to be left dusted on the nooks, but as a constant reminder for professional and practicing counselors alike to acquire, maintain and keep on pursuing competency as counselors.

Dr. Demos, with his years of experience as a licensed psychologist and keen wisdom obtained from being a Professor Emeritus of Counseling Psychology, provides reference material that will be most helpful to everyone who thirsts for knowledge, searches for a methodology, and seeks skills that would enhance their professionalism and proficiency in the counseling process.

This book provides a wonderful guideline for counselors and therapists alike. Dr. Demos' book is very insightful and will benefit anyone who reads it.”
