Movement*

“The Save My Freedom Movement is about uniting American citizens to protect and preserve their personal, professional and financial freedoms,” remarked Swinick. “We’re bringing together like-minded small business owners, entrepreneurs, influencers, organizations, media, & purpose-driven people to support each other and build up the pro-freedom community. Our members can hire, buy, sell, share their stories, learn from experts, network, join groups, and advocate for freedom - all on one platform!”

The Save My Freedom Movement was founded to be a trustworthy resource for like-minded Americans to grow their businesses, enhance their quality of their lives, and make a difference in their communities. The movement’s mission is to create a one-stop shop where people can find everything they need to engage in the pro-freedom movement.

“For too long, the interests of American citizens have been pushed to the side by anti-American forces,” continued Swinick. “The American Dream has been torn down by Left-wing indoctrination, Critical Race Theory, and hostility toward different points of view. The Save My Freedom platform is a way for everyday citizens to push back - to come together and create a powerful movement for freedom that cannot be ignored.”
