As part of the partnership deal Pivotal Point has added MUSK Gold to their balance sheet and will hold a portion of tokens for an agreed upon term.

"Pivotal Point is extremely excited and optimistic about our partnership with MuskGold. We fully support their green energy initiative and vision for a rewards system to help increase the speed of adoption to renewables. It's feels good to invest in worthwhile projects that are rooted in climate change solutions" said CEO Corey Michael Carbon. Earlier this year, MUSK Gold partnered with [Bright World](#) on a solar based reward pilot program that is planned to roll out to potential solar customers later this year.
