

Hemp Seed Oil is the Secret Ingredient in Vido's Health & Beauty USA Herbal Skin Elixirs

HSO Skincare Products Will Soon Be Available in America

BOCA RATON, FL, UNITED STATES, March 31, 2022 /EINPresswire.com/ -- Hemp Seed Oil is what makes Vido's Health & Beauty USA skincare herbal elixirs stand apart from other beauty products on the market.

"Consumers are just learning about the health benefits of Hemp Seed Oil, especially for skin," said Iva Plummer, one of the co-founders of Vido's Health & Beauty USA. "We realized the effectiveness of HSO, which is why we are bringing our herbal elixirs to America."

Vido's Health & Beauty USA is bringing European-quality, herbal skincare elixirs that use Hemp Seed Oil, vitamins, and other natural essential oils to the U.S.

[Healthline.com](https://www.healthline.com) lists the following skincare benefits of HSO:

“

We have HSO herbal elixirs that moisturize and soothe your skin, leaving it looking radiant and glowing.”

Iva Plummer, one of the co-founders of Vido's Health & Beauty USA

- Moderates oil production

“Using our products with Hemp Seed Oil is an amazing skincare regimen,” Plummer said. “We have HSO herbal elixirs that moisturize and soothe your skin, leaving it looking radiant and glowing.”

The health benefits of Hemp Seed Oil come from the high concentration of three polyunsaturated fatty acids.

WebMD states that the 3:1 ratio of omega-6 to omega-3 fatty acids is the perfect ratio for health benefits in humans. HSO contains other ingredients that are good for the skin, including vitamins A, C, and E.

Vido's Health & Beauty USA recently introduced its product line to retail buyers from large and small chains who attended the ECRM "Weight Management, Nutrition, and Vitamin Program."
