Special Soccer Tributes to Ukraine, Morocco and Sub-Saharan Africa

An uplifting, encouraging and inspirational television show known as "The Soccer Academy" will be returning to broadcast television on the entire LATV network platform nationwide. "The Soccer Academy" is a sports instructional show that seeks to boost the self-esteem of young athletes, while taking them on an educational journey of cultural sites around the globe. "The Soccer Academy" promotes healthy living, positive attitudes, and respect for cultures around the world.

The essence of "The Soccer Academy" is to teach professional level soccer skills while breaking down some of the barriers that exist among people of different races, ethnic groups, and religions. Recent episodes include a five-part series that was filmed in Mexico in 2021. Those episodes feature teams such as PUMAS de la UNAM and Leones Negros de la UDG. Two episodes filmed in Mexico City show a unique interview with the former coach of the Mexican

National Soccer Team, Miguel Herrera (also known by his nickname, "El Piojo"). Two of those shows can be viewed on YouTube by following these links:

"The Soccer Academy" television show will air in over 30 markets across the United States and Puerto Rico in a variety of timeslots including Saturday mornings and Saturday afternoons (along with after-school timeslots as well). Some of the broadcast markets carrying the show are as follows: New York, Miami-Ft. Lauderdale, Houston, Dallas, Chicago, Los Angeles, San Francisco, Phoenix, Philadelphia, Denver, Atlanta, Boston, Austin, and others. "The Soccer Academy" is expected to air in the Kansas City metro on Saturday afternoons soon as well.

"The Soccer Academy" helps to spread an overall mission of "Peace through Soccer" around the world. It does this through its association with a global non-profit organization, "The Global Foundation for Peace through Soccer." The Global Foundation has been actively engaged in global soccer missions for the past eleven years (officially since 2011). Together, "The Soccer Academy" and the Global Foundation donate soccer equipment and soccer instruction to underprivileged children around the globe.

"The Soccer Academy" has teamed with the Global Foundation in the last several weeks to produce a special video tribute to "Soccer in Ukraine," and to promote "peace through soccer in Morocco." Those specials can be viewed at:
