(the "Company") pursuant to a court-approved plan of arrangement (the "Arrangement") carried out under the provisions of the Business Corporations Act (British Columbia) by 1319741 B.C. Ltd. ("741 BC"). The Arrangement has resulted in the shareholders of 741 BC holding shares in seven new companies: 1344340 B.C. Ltd., 1344342 B.C. Ltd., 1344343 B.C. Ltd., 1344344 B.C. Ltd., 1344345 B.C. Pursuant to the Arrangement, each of the issued and outstanding common shares of 741 BC was exchanged for one new 741 BC common share and seven new classes of reorganization shares. The reorganization shares were then transferred by the shareholders of 741 BC, including the Acquirors, to each of the New Company in exchange for common shares of the New Companies on a 1:1 basis. In addition, each of the New Companies received \$5,000 in working capital from 741 BC.

Prior to the Arrangement, the Acquirors owned no shares of the Company.

The Acquirors are shareholders of 741 BC and the securities of the Company were acquired as part of the Arrangement. The Common Shares were acquired by each Acquiror for investment purposes in connection with the Arrangement. In the future, each Acquiror may evaluate its investment in the Company from time to time and may, depending on various factors including, without limitation, the Company's financial position, the price levels of the Common Shares, conditions in the securities markets and general economic and industry conditions, the Company's business or financial condition, and other factors and conditions that each Acquiror

may deem appropriate, increase, decrease or change its ownership over the Common Shares or other securities of the Company.

An early warning report pursuant to the requirements of applicable securities laws will be issued by each of the Acquirors and will be posted to SEDAR at www.sedar.com and available on request at the number below.
