

# RemoveMyMugshot.org Updates Control Your Search Information Product

*Control Your Search expands the list of websites, videos, and information individuals need to remove arrest records from the internet and google.*

TAMPA, FLORIDA, UNITED STATES, April 5, 2022 /EINPresswire.com/ -- Since its beginning in 2012, RemoveMyMugshot.org's goal has been to educate clients so that they can control of search engine results and [remove mugshots and criminal records online](#). Many clients are interested in learning the process of how to get mugshots off the internet, but few are ready to execute a reputation management strategy.

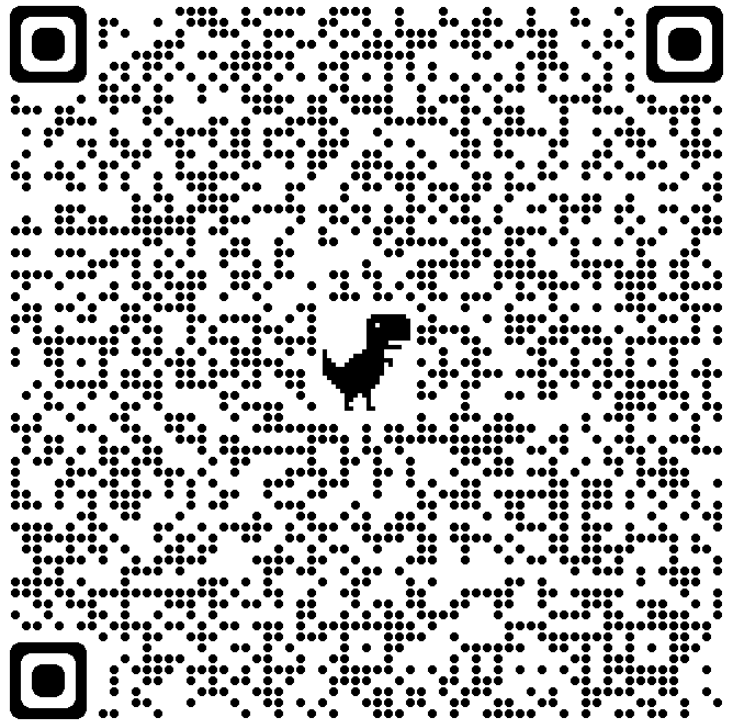

RemoveMyMugshot.org's products and [mugshot removal services](#) have gone through many iterations starting out with a DIY Free Mugshot Removal toolkit comprised of an e-book, private YouTube videos, and stock photos, to creating Control Your Search, which consisted of video training, an update to the original e-book, and complimentary reputation management video training for mugshot removals. These products explained how to remove mugshots online specifically Google. The implementation was cumbersome, and the LMS lacked features to help our clients navigate through the information. RemoveMyMugshot.org open-sourced the reputation management training and listed it online at no cost while adding more content. Also added to the course was a

“

Reputation management for working professionals to c-suite executives.”

*Alex Adekola*

curated list of over 725 high-ranking authoritative websites anyone can register on that rank really well in Google.

RemoveMyMugshot.org

By simply following the training and registering on all the profiles, our clients outrank negative information online, including individual mugshots. There are a number of steps in this process, and it takes someone who is truly interested in a cheap mugshot removal solution through the process of suppressing [removing a criminal arrest record](#). Today RemoveMyMugshot.org offers guaranteed removals with a mugshot removal service. With the most comprehensive database of contact information listed on their website, some clients still find difficulty in getting mugshot websites to remove their images. This comes even as newly enacted legislation takes hold in many states across the country.
