

# Zebra Techies Solution's CSR Program Feed Me Campaign Making a Difference

*Never worry about numbers. Help one person at a time and the person nearest to you*

KOLKATA, WEST BENGAL, INDIA, April 4, 2022 /EINPresswire.com/ -- Zebra Techies Solution organized their CSR program - Feed Me Campaign - this year too on March 6, 2022, in a remote village 46km away from Kolkata. As part of their whole-day event, over 600 children and their families were invited. They donated clothes, blankets, and study materials to the children, distributed 175+ grocery packages to the most needy families, and they organized a sit-in lunch for everyone.

For all those starving, deprived, and dirt poor little children and their families, the day was like a stroke of luck. For Zebra Techies Solution, that means making it a reality.
