NEW YORK, NEW YORK, USA, April 6, 2022 /EINPresswire.com/ -- [Miss Environment 2022](#) Is A Blend Of The Five Elements Of Nature, Here's How: Beauty pageants come and go, but a beauty pageant with a cause as big as the 'Miss Environment International is something that is rarely seen.

Well, Miss Environment 2022 is a unique beauty pageant that along with its gorgeous faces also talks about the conservation of not just our environment but also larger aspects which include our personal lives and well-being too. This pageant is a blend of all the elements of nature, namely, air, earth, water, fire, and more. Miss

Environment, which is an international beauty pageant has brought together representatives from various continents, cultures, and traditions all across the globe. As a result of which, 20 countries have participated in this popular pageant. These countries include the Philippines, Peru, Uganda, Belgium, and a lot more. "beauty begins with environmental care" says Rushikesh Mirajkar, the president and the man behind this wonderful idea. He adds that without the support from the government of India and the government of Maharashtra this kind of pageant was next to impossible, especially after the pandemic.

Well, Miss Environment has witnessed some of the most gorgeous faces all across the globe be a part of this wonderful pageant and the pageant was won by none other than Miss Belgium. "This journey didn't feel like a competition and literally felt like a big family holiday and we kissed each
