Everyday. Dogecoin is a cryptocurrency created by software engineers Billy Markus and Jackson Palmer, who decided to create a payment system as a "joke", making fun of the wild speculation in cryptocurrencies at the time. Dogecoin has its own online community, (referred to as the Doge Army) and there is no hard limit on the total supply of Dogecoins, which makes it different from some other prominent cryptocurrencies.

Dogecoin has been backed by the co-founder and CEO of Tesla, Elon Musk, Snoop Dogg, Gene Simmons, and even the Shark Tank investor Mark Cuban!
