"These passionate and driven Titans of industry exemplify the true definition of leadership. We honor them for their unwavering commitment to building their businesses, shaping our communities, and making Colorado a better

place to work and live." says Jaime Zawmon, President of Titan CEO.

The Titan 100 embody the true diversity of Colorado's business landscape. Representing technology, manufacturing, healthcare, construction/real estate, finance, professional services, hospitality, entertainment, transportation, and non-profit organizations among many others.

The annual Titan 100 awards celebration on June 2nd will be held at Wings Over the Rockies Air & Space Museum located in Denver, CO. Wings Over the Rockies is located on the former grounds of Lowry Air Force Base. The museum is housed in the historic Hangar No. 1, built in 1939, and features dozens of historic airplanes, space vehicles, and interactive exhibits. This

unique cocktail-style awards event will gather 100 Titans of Industry for an evening unlike anything that exists in the Colorado business community.

“On behalf of all the partners and associates at Wipfli we congratulate all the Titan100 winners. It’s an honor to recognize this diverse group of leaders in the Colorado business community. We appreciate the lasting impact each leader has made, and continues to make, in building organizations of significance both here in Colorado and abroad. Your ingenuity and creativity have set you apart, and the honor of being seen as an industry Titan is richly deserved,” says Pete Aden Partner at Wipfli.

This year, in addition to celebrating 100 Titans of Industry, Titan CEO and Wipfli will be presenting the Titan 100 Hall of Fame. This prestigious honor has been awarded to only twelve Titan 100 honorees as part of this inaugural commemoration.

Titan award recipients are allowed to make the Titan 100 list up to three years, with each year getting progressively more difficult. To make it to the Hall of Fame, Titans must complete on-camera interviews and answer a series of questions where they do not know what will be asked in front of a live judging committee.

The Titan 100 Hall of Fame are a class of elite entrepreneurs that have consistently shown over the past three years their ability to demonstrate the characteristics of a Titan who is a pillar of our community.
