End-Use Outlook (Revenue, USD Billion; 2018–2028)

Clinics

Hospitals

Long Term Care Centers

Home Care Settings

Ambulatory Surgical Centers

Others

Key Findings From the Report:

In February 2021, InfuSystem acquired FilAMed. This acquisition will help InfuSystem to broaden and enhance its biomedical services offerings within its DME platform and provide the opportunity for the company to enter into the acute care market.

Hospital segment accounted for major revenue share among the other end-use segments in the global market in 2020. Rising number of hospitals and development in hospital infrastructure are the key factors driving revenue growth in this segment.

Asia Pacific is expected to register the fastest CAGR throughout the forecast period, which can be attributed to rapid development in medical infrastructure, growing investment in medical equipment manufacturing, and rising adoption of advanced medical equipment.

Overview of the Durable Medical Equipment Market Report:

Introduction, Product Scope, Market Overview, and Opportunities

Analysis of the Manufacturers with sales, revenue, and price analysis

Comprehensive analysis of the competitive landscape

Extensive profiling of the key competitors along with their business strategies and market size

Regional analysis of the market along with sales, revenue, market share, and global position

Country-wise analysis of the market along with types, applications, and manufacturing

Strategic recommendations to established players as well as new entrants

In-depth analysis of the risks, restraints, and limitations in the Durable Medical Equipment industry
