The state of Pennsylvania (PA) has a lot of cities and places to offer to tourists. It is probably one of the reasons why so many tourists look forward to visiting the state. There is just something about the place, which makes it so attractive for visitors. Another very important factor in making Pennsylvania one of the more popular tourist attractions is that one can very easily find a [hotel in PA](#), literally anywhere, in any city. The easy accommodation and the scenic sites to enjoy combine to make it a tourist's paradise. In Lancaster, there are a lot of places to start visiting once someone is there. Dutch Wonderland is a really popular destination for families. The teacup and carousel rides are immensely enjoyed by toddlers.

For the parents accompanying the child, they can hang out in the central area and enjoy a hot snack or meal. One of the cornerstone attractions of the city of Lancaster is undoubtedly the Amish farmhouse tours. The Amish character of the city is evident everywhere. The tour of the farmhouses provides that rustic charm and feel, which can hardly be matched anywhere else. On these tours, visitors can get a close look at the life and ways of the Amish people. The dirt roads leading up to those farmhouses also provide that unique experience, which is missed by people who live in big cities. There is just an idyllic pleasure in the whole place, which makes the world look like a much more pleasant place than it originally is.

Long's Park is also a great place to hang out. It is a public park, where several events are held throughout the year. All one needs to do is to grab a blanket and a basket of food, and just head over to the park and enjoy a meal. Lancaster Inn & Suites offers a comfortable place to stay for the tourists visiting the city.
