announces the hire of a Director of Acquisitions to
ensure portfolio growth goals.

Vincent Menechino joins [Tricap](#) with a diverse background in real estate. Vinny worked with BMC in Denver in his prior role, where he evaluated new acquisitions and served as an asset manager. Vinny received his Bachelor of Science degree in Economics-Finance from Bentley University and holds a Master of Science in Real Estate from Fordham University.

Originally from New Jersey, Vinny currently lives in Denver and spends his free time at the gym working on Olympic weightlifting, playing softball, or playing with his golden retriever, Rocco.
