CHEYENNE , WYOMING , USA, May 24, 2022 /EINPresswire.com/ -- The Wyoming Mesothelioma Victims Center says, "If your husband or dad is a Navy Veteran with recently diagnosed mesothelioma in Casper, Laramie, Cheyenne, Jackson Hole, Rock Springs, Gillette or anywhere else in Wyoming please make financial compensation a top priority and call attorney Erik Karst of the law firm of Karst von Oiste at 800-714-0303 to ensure the best results. "We are advocates for Navy Veterans with mesothelioma and our top priority for people like this is that they receive the best possible compensation results. Navy Veterans make up the largest work group in the United States for people who will be diagnosed with mesothelioma each year. Typically, the Navy Veteran with mesothelioma was exposed to asbestos on a navy ship, submarine or at a shipyard where their ship or submarine was undergoing repairs. Most Navy Veterans with mesothelioma we have worked with for nearly two decades were assigned to a ship's engine room or they were part of a ship's repair-maintenance crew-or they served in similar roles on a submarine.

"If the person we have just described sounds like your husband or dad, and he has just been diagnosed with mesothelioma anywhere in Wyoming please call attorney Erik Karst of the law firm of Karst von Oiste at 800-714-0303." www.karstvonoiste.com/
