

LATFOB 2022 presents Young Bigfoot

A Fantastic Adventure of a Man and Mythical Creature

Unfolds in Writer's Work of Fiction

LOS ANGELES, CALIFORNIA, UNITED STATES, April 6, 2022

/EINPresswire.com/ -- Kurt Andon, a Hollywood actor since 1969, extends his artistic capabilities as he goes beyond the big screen and enters the literary scene. *Young Bigfoot*, his new novel, is a story that perfectly blends legendary folktales and historical fantasy. *Young Bigfoot*, a vivid tale and a well-written short story, revolves around two distinct characters – a human kid and a creature that everyone believes to exist only in the imagination.

PRESS RELEASE | LA BOOK FAIR 2022

The two existed on opposing sides of the earth. *Young Bigfoot*, an eight-and-a-half-foot-tall, 450-pound-weighing creature, with broad shoulders and narrow waist, lived on a rocky mountain with its outcrop staring out to the distant forest and valleys. Penn, a son of a hardworking farmer, was on the other face of the world – 800 miles east to where *Young Bigfoot* was. When Buck, Penn's father, leads his wife and their kids to travel west to seek a more promising life, Penn and *Young Bigfoot*'s distance starts to dwindle. As Penn

“

Genuine friendship knows
no boundary and race.”

Kurt Andon

and his family finally found a place to settle, Penn meets *Young Bigfoot*, and that's when the legendary friendship between the two starts to unravel.

Kurt has starred in some classic movies such as *15 Minutes* (2001), *Kiss of Death* (1997) and *Coma* (1978).

Young Bigfoot
Written by Kurt Andon
Paperback |

Book copies are available on Amazon, Barnes & Noble, and other online book retailers.
