Just Spain New Lobster Plan

The new mobile plan offers the same great [Lobster all-in-English](#) experience (the website, the bills, and a friendly customer service in native English), with no contract or commitments. Lobster wants its customers to stay because they're happy with the great service.

Lobster has built a reputation on providing a first-class mobile service for English speakers in Spain. Its customers have rated 4.6 out of 5 stars on Trustpilot, and 4.8 out of 5 stars on Google, and have given great reviews on its Facebook page, making it one of the best valued mobile networks in Spain.

With Lobster multiple SIMs can be managed from one single account making it easy for families and businesses to manage multiple phones.

People interested in the new plan should go to [lobster.es](#) or call Lobster on 1661. Lobster will take care of moving them over from any other Spanish provider whilst keeping their Spanish mobile phone number, or they can provide a brand-new Spanish number.

The new "Just Spain" plan complements Lobster's three popular international plans (Small, Medium and Large) that offer unlimited calls and texts in Spain, to the UK and other countries, starting from €12 and all with Lobster's unique all-in-English experience.
