Smi Group reports: in four weeks the Military Space Disruptive Technology Conference will convene

LONDON, UK, April 7, 2022

/EINPresswire.com/ -- There are less than 3 weeks to go until Military Space [Disruptive Technology](#) 2022 takes place, the only [innovation](#) conferences in the world dedicated solely to the military space. Taking place on 25th – 26th April 2022 in London, UK.

This makes now a crucial time for military, government and industry alike to come together and delve into the latest topics and trends shaping the future of Military Space Technology and explore cutting-edge topics like responsive launch, AI, robotics, and small satellite technology.
