BALTIMORE, MARYLAND, UNITED STATES, April 7, 2022

/EINPresswire.com/ -- Dominick Jarrius Williams, popularly known as [Bis Shuttlesworth](#) is a rising star with a love for music so intense that it is the one thing that stayed consistent for him even during the darkest of days. Taking upon the name Bis Shuttlesworth because it is the name that stuck by him throughout his childhood, the artist channels a passion for Hip Hop and Rap.

[These experiences](#) drove him to rely on music as his main coping mechanism,

but the artist also wanted to inspire people the way his icons had inspired him. From an early age, Williams started dreaming of becoming a musician, and soon got absorbed into the world of hip hop and rap.

After a few years of struggle Williams, now referred to as Shuttlesworth, got his first big break in 2009 along with a local band “Group Zone 16” when they released their first album ‘Real Hard Vol.1’. He continued writing daily from 2011 to 2012 he collaborated often with the group E.S.G (Empire Shell Gang) on 4 studio projects G.T.A 2, G.T.A 3, MiTunez, & Murda By Pen. He worked with Zone 16 Founder/Artist Gu\$to Grove again in 2012 and released a double-disc project called “Double jeopardy”. Bis continued to work with several local and regional artists and was finally able to release a solo project “Thought Pool” in June 2013.

This album helped spike his popularity and he got some record deals from record companies but Bis was more successful when he had the liberty to dictate his own creative expression. Consequently, he released his second solo album "Thought Pool 2" in 2016. Bis also played a crucial role in empowering ghetto voices through his music project "[Tales from the Hood](#)" where he worked with other black artists.

Personal tragedy followed Bis Shuttlesworth when he got into a lethal car accident but his relentless spirit persevered. The injuries he suffered did force him into a hiatus but the motto of his life was to remain persistent. This mindset was also reflected in his song, "I Will Prevail" and that is what he chose to do. Now Bis plans on making a comeback to the world of hip hop with a brand-new album and a brand-new message for his audience.

His latest project is dropping in the Summer of 2022, with fresh singles on the way, scheduled to be released in Spring 2022.
