

Concordia University Texas to host Inaugural AustinCyber.Show, Two Days of Powerful Talks on Cyber Risks and Challenges

Five new cyber-by-fire Certificates Offered on Cyber Leadership, Breach Defense, Risk Diagrams, Exfiltration Prevention, and QUIC Protocol replacing TCP/IP

AUSTIN, TEXAS, UNITED STATES, April 7, 2022 /EINPresswire.com/ -- Austin-area community members are invited to attend the inaugural [AustinCyber.Show](https://www.austincyber.com) at Concordia

University Texas, May 10-11. During the two-day cyber defense conference, participants can engage in discussions

with peer leaders and industry experts on the cyber risks and challenges that businesses, leaders, developers, educators, and students face each day. Attendees will walk away with new insight and lessons learned to defend against ransomware, phishing, and data exfiltration attacks.

“

Austin Cyber Show brings top industry leaders together to collaborate and educate the next generation of high-demand cyber professionals”

Bill Alderson

of Cyberwarfare books Jon DiMaggio.

Austin Cyber Show Speakers

Besides hearing from cybersecurity technology thought leaders, attendees may earn a [Cyber-by-Fire](https://www.austincyber.com) certification in leadership, Breach Defense, Risk Diagrams, Exfiltration Prevention, or QUIC Protocol. The Cyber-by-Fire certificates allow for new or seasoned technology enthusiasts to gain a basic understanding of network and security fundamentals, condensing weeks of learning into

two powerful days of in-person or online achievement.

Certificate programs draw on the 40-year career of Security Institute's Bill Alderson, celebrated deep packet security expert beginning in 1980 at Lockheed Sunnyvale, later at Network General Sniffer startup, now NetScout. Bill led the Pentagon Network Recovery at 9/11 and solved US stock market attacks before coining of the term DDOS Distributed Denial of Service.

Bill Alderson is a founder of HOPZERO, a cybersecurity company that has been a member of Concordia University's IncubatorCTX since 2017.

Preconference public service sessions to develop Cyber Disciplines for Non-Tech Careers, Youth and Senior Citizens are being presented in English and Spanish by reserving free [tickets](#) for the afternoon of May 9th.

Tickets for the event are \$199 (online) or \$249 (in-person). Tickets are available at <https://www.austincyber.show/>.

About Concordia University Texas

Founded in 1926, Concordia University Texas (CTX) has the vision to be the premier university, where the adventure of faith, learning, and life-changing experiences lead to meaningful work. CTX's mission is to empower students of all backgrounds to lead lives of critical thought, compassionate action, and courageous leadership. As a liberal arts university rooted in the Lutheran tradition and affiliated with the Lutheran Church - Missouri Synod, Concordia develops the mind, heart, soul, and body, preparing leaders for lives of service. Concordia's core values are 1) Christ-centered, 2) caring for people, 3) vocation, 4) lifelong learning, 5) trust and 6) courage. The college offers undergraduate and graduate degrees through a variety of delivery methods. Concordia offers over 20 majors across four colleges at the undergraduate level and graduate programs in business (MBA), Education (M.Ed. and Ed.D.) and Global Health (MPH). Concordia's campus, unique in its natural setting on a preserve, is conveniently located minutes from both downtown Austin and the Texas Hill Country. This unique location provides students with resources and opportunities to learn, explore and thrive in the best of both worlds—a small school and a big city,

The image is a promotional graphic for the Austin Cyber Show Conference. At the top left is the Austin Cyber Show logo, which consists of a stylized 'ACS' in a yellow and orange color scheme above the text 'AustinCyber.Show'. To the right of the logo, the dates 'MAY 10-11, 2022' are displayed in a white, bold, sans-serif font. Below the logo and dates, the main title 'Austin Cyber Show Conference' is written in a large, white, bold, sans-serif font. Underneath the title, the subtitle 'Cyber Thought Leaders and Technologists' is written in a smaller, white, sans-serif font. The background of the graphic is a photograph of a green, tree-filled landscape with a building visible in the distance under a blue sky with some clouds.
