PRESS RELEASE | LA BOOK FAIR 2022

Snippets of a Relationship. A collection of twenty-two short stories in the fiction genre but with snippets of factual events. It's a compilation of different positions of relationships of individuals, couples, and others. In life, people come to know you as the main character tracked when he began his relationship with Cheri. It evolves along with the story.

“Caudle always returns to the positives, demonstrating how he—the “first person” narrator and sometimes

annoying spouse—and Cheri, his willing but sometimes complaining partner, make little adjustments, stop and hear one another, and reunite in the enduring love they’ve had for each other all along. Caudle’s collection is a book for couples. While almost anyone can enjoy this book, married readers especially will laugh, sigh, and empathize with the protagonists—a man and woman seeking and gradually attaining marital contentment.” — Reviewed by Barbara Bamberger Scott, US Review of Books.

Currently living in Summertown, Tennessee, William B. Caudle received three awards at the Life Press Christian Writers Conference in Memphis, Tennessee, in August 2010. His book Cheri and Me has won first place in the Conference Prose contest.
