Returns. The book sends an important message during this perilous time that there will be the second coming of Jesus Christ to Earth. There will be scriptural prophecies described in different circumstances, both good and bad, that will be prevalent in the last days. They include evil and wickedness, faith and righteousness, the gathering of Israel, the restoration of Christ’s church, wars, and rumors of wars. Jones points toward the realization of Last Day prophecies.

“I did not realize all that has happened already for the second coming of our Savior Jesus Christ. We are getting ready, and we need to prepare for His coming. This book is so informative about what to expect and what has happened already. I recommend everyone to read this. It is excellent.”
