“

“The next thing I remember was my mother had graduated from beauty school, and she set up a house trailer in the front yard of our Emblem home. She operated her beauty salon out of that trailer.”

Scott C. Werbelow

“Best book I have read in a long time. I loved it was true and marveled at knowing this was such a grown-up little boy with the best stories!! Can't wait for the next book. If you were born and raised in Wyoming or now live here and love Wyoming, this book is for you. I know where all these places he writes about are and have been to them all. Grew up in a town not far from them and remember when

I was a little girl going with my dad to buy sheep there. Great Read!!
