Ruling of Kingdom Amid War and Conquering of Power

LOS ANGELES, CALIFORNIA, UNITED STATES, April 8, 2022

/EINPresswire.com/ -- Author Chris Tirrell will be one of the featured authors in the upcoming Los Angeles Festival of Books 2022 with his published book title, *Art of Shadows*. It's a work of fiction about action, adventure, and darkness. The story is set after a great war that ended in the Kingdom of Tokai. The kingdom is at peace again but power is there as that is what keeps monarchy in the age of kings.

The story follows Michael Starr and his companions when they live a new life as mercenaries after returning home from the Talarian War. Their friendships and loyalties will be tested as Lord Vermidius rises to power and seeks to claim the Serenity Palace as his own. Companions reunite, and new friends are made in the struggle to hold the dark lord at bay.
