

Elite Launchpad LitBit adds Web3 Global Expert Ian Scarffe to its Advisory Board

As part of LitBit's Board of Advisors, Ian brings extensive knowledge and experience to support LitBit's business development process.

U.S., April 8, 2022 /EINPresswire.com/ -- [LitBit, the upcoming elite launchpad](#) for high-quality curated projects, has announced a new addition to its advisory board to include Ian Scarffe, a global business consultant and leading expert in the world of startups, investments, fintech, and blockchain.

Ian Scarffe LitBit Advisor

The platform aims to empower project developers and investors alike with a decentralized initial DEX offering (IDO) platform and incubation services on the Cronos Network. Thanks to built-in security features and anti-whale system mechanics to protect investors, LitBit's goal is to ensure project stability throughout its entire life cycle.

“

Ian Scarffe is one of the most respectable and knowledgeable blockchain advisors. He will bring additional value for us and the future projects we'll incubate”

*LitBit Finance founder and
CFO, Tino Skelin*

[Ian Scarffe is a serial entrepreneur](#), investor, and consultant who currently consults and advises for multi-million dollar companies.

As part of LitBit's Board of Advisors, Ian brings extensive knowledge and experience to support LitBit's business development process.

The crypto space is still one of the most appealing segments when it comes to drawing all sorts of investors. With its entire [suite of utilities](#) and experienced transparent team, LitBit firmly believes it has all the ingredients to transform the crypto world and bring about financial freedom to everyone interested.

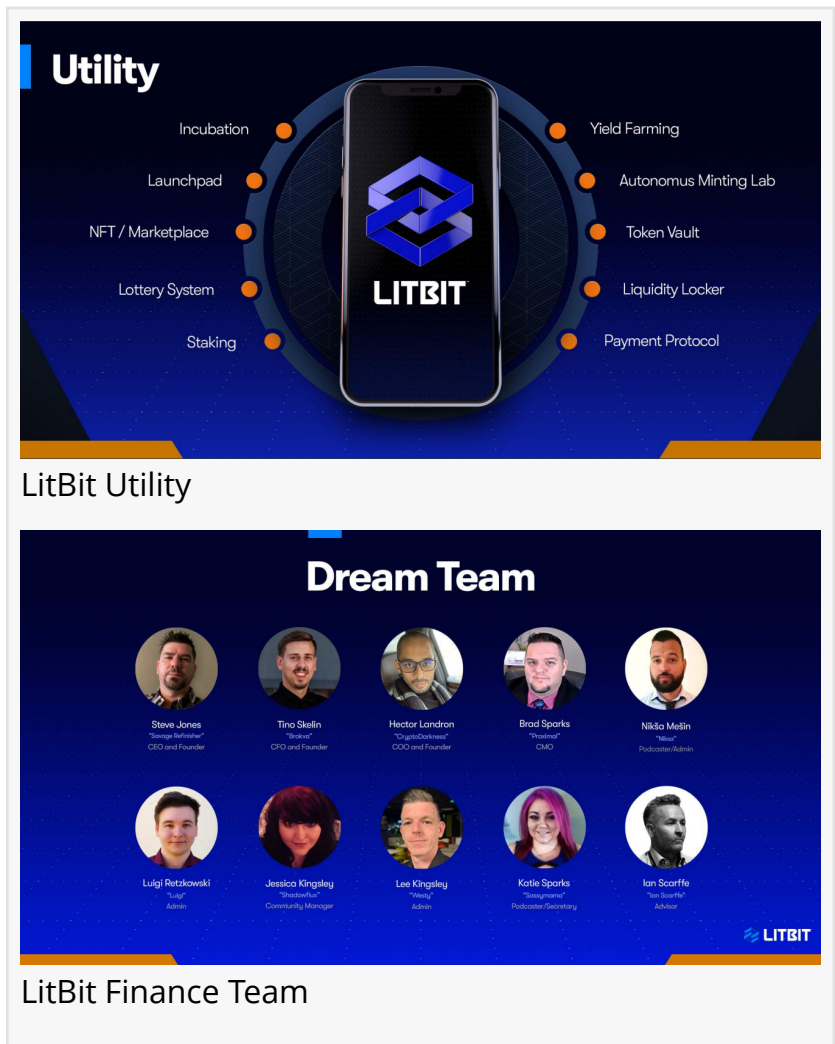

To achieve its goals, the company will use a multilayered approach that will fully utilize its

complex platform. From acting as an incubator to maximize the exposure, potential growth, and longevity of crypto projects to carefully vetting projects and investments - and a whole lot more - LitBit offers features every crypto investor or project will find beneficial for long-term success.

"We at LitBit are here to help projects maximize their exposure, potential growth, and longevity. By taking the time and effort to incubate and carefully vet project developers, we make sure that the high-quality projects get the spotlight they deserve and have everything they need for long-term success," said LitBit Finance founder and CEO, Steve Jones.

About LitBit

LitBit is the elite launchpad created for investors looking to access high-quality curated projects, as well as for project developers to bring their vision to life.

The image contains two promotional graphics for LitBit. The top graphic, titled "Utility", features a central smartphone displaying the LitBit logo, surrounded by a circular arrangement of ten utility features: Incubation, Launchpad, NFT / Marketplace, Lottery System, Staking, Yield Farming, Autonomus Minting Lab, Token Vault, Liquidity Locker, and Payment Protocol. The bottom graphic, titled "Dream Team", displays ten team members in two rows, each with a circular headshot and their name and role. The LitBit logo is in the bottom right corner of the team graphic.

Utility

- Incubation
- Launchpad
- NFT / Marketplace
- Lottery System
- Staking
- Yield Farming
- Autonomus Minting Lab
- Token Vault
- Liquidity Locker
- Payment Protocol

LitBit Utility
