

LegalSifter® And AODocs Partner to Accelerate Contract Review and Management

An integrated and affordable contract management solution that keeps your contracts organized and the data actionable

PITTSBURGH, PA, UNITED STATES, April 12, 2022 /EINPresswire.com/ --

LegalSifter® and AODocs proudly announce a strategic partnership to offer a combined intelligence™ solution for contract negotiation and organization. Combining LegalSifter's artificial intelligence (AI) and human

expertise with AODocs' SaaS content services platform and dedicated Contract Lifecycle Management (CLM) solution will allow clients to review and manage contracts quickly and confidently at an affordable cost.

"LegalSifter's contract review and management services need a modern, efficient storage platform. Our clients have been interested in document management options that address not only contract lifecycle management, but also other workflow needs in corporate legal teams. We can now offer them a seamless solution," says Kevin Miller, CEO at LegalSifter. "Furthermore, AODocs is well integrated with Google Workspace, allowing LegalSifter Organize Concierge users who use Google Drive to have a CLM solution that works with their collaboration tools."

Stéphan Donzé, CEO of AODocs said, "AODocs and LegalSifter are the perfect combination to maximize the ROI of a CLM project. LegalSifter's contract administration services help our customers improve the quality of the data they have in their AODocs repository, allowing them to best leverage all the features of our CLM process, both pre-and post-signature."

LegalSifter and AODocs will immediately offer their combined products to clients worldwide at an attractive price for an integrated solution.
