OZARK, MISSOURI, UNITED STATES, April 8, 2022 /EINPresswire.com/ -- Ed Slott, long considered America's IRA Expert, just announced the selection of Brad Pistole CFF®, CAS®; and Hunter Pistole as Guest IRA Experts in his long-standing monthly publication. This is Brad's fourth selection in the past five years. Both are featured in Ed Slott's IRA Advisor newsletter, April 2022 issue, considered by the industry as the best source for IRA information.

Brad and Hunter provide an unconventional approach to IRA planning by making the point of reducing exposure to risk, beginning at age 60.

"Possibilities include fixed income options that provide protection from market fluctuation and contractual income options that come with certain annuities from insurance companies. The key is to tailor an age 60+ retirement portfolio to match each individual's circumstances and prospects." Ed Slott's IRA Advisor (April 2022)

Being able to contribute "outside the box" ideas have helped Brad and Hunter to build a stand-alone business model that embraces new ideas and fresh thinking that are results-focused.

Ed Slott and Company, LLC is the nation's leading source of accurate, timely IRA expertise and analysis to financial advisors, institutions, consumers, and media across the country.
