“

“Dale continued to play his trumpet and we both continued to work, teach Sunday School and play with the grandkids. All seemed right in the world so I pushed my concerns under the rug.”—

*Kay E. Thomson.*

with her published book titled Finding JOY In The Midst of Grief: Continuing in God’s Loving Grip Through Loss of a Loved One. The book talks about how you can find peace, joy, and acceptance as you also learn that God has not disliked you or turned his back on you but that he is always there. It takes its readers along twists and turns as the author walks through the tunnel of grief while dealing with the loss of her husband of 44 years. Reading the book and the pathway traveled, you will find that God does not punish us; rather, He is there waiting for us to love and accept everything about us until our journey comes to an end.

“This book has a wonderful way of keeping your attention and focus. It is easy reading, yet it is full of passion and inspirational depth. It is emotional, yet humor resides among its pages as you travel the path with the author on her new normal life path. It not only helps those who have lost a loved one but, it spills over to those in many traumatic situations of life daily. We highly recommend this book.”
