ARLINGTON, VA, UNITED STATES, April 12, 2022 /EINPresswire.com/ -- Legaroo™ and [the Legal Plan Consultants](#)® are proud to announce their partnership in bringing legal assistance coverage to inbound travelers to the United States. This partnership capitalizes on the strengths of both companies. Legaroo expands its well-known legal service assistance program to the U.S. while the Legal Plan Consultants enlarges its portfolio offering through its proprietary attorney network.

The exclusive agreement was executed in New York City on February 24, 2022. The agreement formalizes the synergies both companies bring in assisting travelers in times of legal need. Alex Thompson, Founder & Chief Executive Officer of Legaroo stated “This partnership fulfills a real need for travelers with legal assistance. Our company was founded because we understood the desire for legal assistance for travelers that was not being met by the travel industry. When traveling abroad most people don’t understand the laws of the country they are in which can lead to unexpected, costly and serious consequences. The Legaroo Assist program -available in nearly 140 countries by end of this year- provides assistance through local law firms to deliver peace of mind in the event of an urgent and unforeseen legal event during their trip.”
