When Master Control Hub Manager Charles Longfellow reached out to Local Career Services Director Deborah Byrd for assistance in filling these positions, he had no idea that this relationship forged would not only garner the support of this local campus but also build collaboration across our seven Beonair Network of Media Schools, resulting in 2 additional hires in Cleveland and Columbus.

Attending the ribbon cutting for our new Colorado Media School Campus located in Denver, Mr. Longfellow had this to say, "It was an honor to be invited to the ribbon cutting of the Colorado Media School. Getting a tour and interacting with all the students was a delight. Great staff, they all had a very positive attitude. I'm so looking forward to a long relationship with the school."
