Sean McNabb who has starred in a myriad of shows including Sons of Anarchy. Once at The Elks Lodge, attendees will enjoy a delicious lunch, live entertainment, vendors, and an opportunity drawing with thousands of dollars' worth of prizes.

The motorcycle ride originated as a tribute to "The Great Escape" movie, starring actor Steve McQueen, who died of mesothelioma. Since its inception, hundreds have gathered each year to honor those who fought valiantly against mesothelioma, encourage those who remain undeterred in their present battle, and to raise money for research.

"The Greatest Escape Motorcycle Ride brings motorcyclists from all over Southern California together to raise funds and awareness for mesothelioma. We are excited to welcome back our returning riders and extend our welcome to all of the new riders who will be joining us," said Clare Cameron, the PMC Executive Director.

The event is open to all riders as well as non-riders who simply want to join the fun. The registration fee is \$40 for riders and \$15 for passengers who register online by April 15th. On-site registration is an additional \$5. The fee includes lunch, entertainment, and parking. For non-motorcycle riders, tickets are \$15 for lunch, entertainment, and parking. To register, visit [www.TheGreatestEscape.org](http://www.TheGreatestEscape.org). All proceeds will go towards mesothelioma research.

About Us: Established in 2002, PHLBI is a non-profit medical research institute. The PMC, a division of the PHLBI, is focused on the treatment and prevention of malignant pleural mesothelioma. The PMC serves a growing number of mesothelioma victims by supporting the nation's first-of-its-kind research lab which provides laboratory-to-the bedside research that improves mesothelioma victims' lives and longevity.
