

World-renowned motivational speaker Dr. Delatorro McNeal is helping people build emotional resilience

He is helping organizations and individuals become more effective and productive in their lives.

USA, April 10, 2022 /EINPresswire.com/ -- Dr. Delatorro McNeal, a world-renowned motivational speaker, and peak performance expert, will be seen on The Today Show on Monday, April 11th, 2022, as a Live in-studio guest expert. The Today Show is one of the most popular shows in the country. Dr. McNeal, who holds a CSP designation, has worked with Fortune 500 corporations, professional associations, entrepreneurs, and sports teams and has steered them towards achieving the best possible outcome in all areas of life.

A successful author of a book titled 'Shift into a higher gear' positioned as a must-read business book, Dr. McNeal has created a niche in almost every industry.

Talking about featuring on The Today Show, Dr. McNeal, author of eight published books, said, "I'm truly honoured to be a part of the show. It is one of the most viewed shows in the country, and I'm excited to participate."

He further adds, "My main goal is to help people unleash their potential and achieve all the success in their life. Having delivered over 4000 presentations across the nation, I think all its takes to better yourself is consistency and determination. To become the best possible version of yourself, you must work on yourself daily," The thought process is also reflected in Dr. McNeal's philosophy of 'Better Your Best by Getting 1% Better Every Day.

Dr. McNeal has been awarded the Presidential Lifetime Achievement Award for his incredible work over two decades in the personal development industry. One of the distinguishing features of his speech is an interactive approach that connects with each of the attendees. His speeches are regarded as powerful, eye-opening, and motivational infusing attendees to apply his framework and work towards improving their lives.

He has also founded Platinum Performance Global, LLC, a Training & Development company that focuses on peak performance, leadership, team building & productivity improvement.
