JERSEY CITY, USA, April 11, 2022 /

EINPresswire.com/ -- Another Backstage Story: Award winning short films like SACCO & VANZETTI: BURN !!! and DEATH OF HERCULES via Sophocles have beaten the odds during Covid-19 while working under quarantine in a studio apartment and Film Freeway submissions and writing 2 new books on Lulu.com.

"Now they need grass roots support to showcase our work, do community outreach programs in Century 21.

The downside of grants is in my experience is 3-5year cultivation process. That worked when I was younger but not really at this point. Most of the funding is already targeted. Maybe 10% of new applicants might get some money."

Maybe, but not OUR FILM FREEWAY STATS:

Death of Hercules  
9 Total Submissions  
3 Selections  
4 Pending

60% Selection Rate

SACCO & VANZETTI: BURN !!!

This is why Individual Support is so crucial. This represents 60% of our budget, while the rest is uncompensated pro-bono and/or bartered support.

Nina Berman addressed this issue with Fractured Atlas last year in a brilliant article. Old money or connections still dominates even after years of

applications, with few or no results, but enormous effort again and again. We have hundreds of readers but only a few support our work.

Homage to a human rights champ.
