

# Sensational and Awe-Inspiring Music That Resonates with The Heart: Jah Fendii Releases New Hip Hop Album

*'Bigger Than Ever' is a consortium of phenomenal music carefully crafted to rejuvenate listeners with alluring tunes*

ATLANTA, GEORGIA, UNITED STATES , April 11, 2022 /EINPresswire.com/ -- Jah Fendii releases his [newest album](#) titled ['Bigger Than Ever'](#) on his birthday that was on 10/22/21, which is an ecstatic selection of beats meant to make listeners get lost in the music. This new music comes as the latest addition to the rising star's already hit musical singles which include "Top 5 (Freestyle)", "Anniversary", and "Fendii Fanatic".

'Bigger Than Ever' is a labor of love that has slowly been produced, solely guided by the inner callings of the artist in a way in which the music becomes an inextricably personal project. Fendii has recognized his own demeanor in recording music so much so that his process for music composition is simply those songs that generate an unexplainable feeling of excitement.

Fendii's continued motivation for the production of music is displayed by the persistent release of new singles throughout 2020 and 2021. The core of the musician's inspiration is the idea that there are people that look up to him and thus this music becomes more than just an activity that is done for himself but more so something that is done for all those that support him.
