

Chip Munn Named As Forbes Best-In-State Wealth Advisor for Second Year in a Row

FLORENCE, SC, US, April 11, 2022 /EINPresswire.com/ -- Chip Munn, CEO of Signature Wealth Group (an independent organization aligned with Raymond James Financial Services, Inc.) was named to the Forbes list of Best-In-State Wealth Advisors released online on April 7, 2022.

The 2022 list ranks Chip at no. 1 in the city of Florence and no. 10 in the state of South Carolina.

"This recognition is certainly an honor for our teams, not only in Florence but in local communities across the Southeast. The past two years have been two of the more difficult for many investors in over a decade and it's particularly meaningful to be honored during such a challenging time for people." said Munn.

The Forbes ranking of Best-In-State Wealth Advisors, developed by SHOOK Research, is based on an algorithm of qualitative criteria. Those advisors that are considered have a minimum of seven years of experience, and the algorithm weights factors like revenue trends, assets under management, compliance records, industry experience, and those that encompass best practices in their practices and approach to working with clients.

Scott Mitchell, Chip's business partner of 24 years and CIO of Signature Wealth Group, adds his praise for the team they continue to grow and support.

"This is a really great honor for Chip as well as our whole team. I know he agrees with me when I say that teamwork is the reason we have been so successful. Signature Wealth is intentionally

designed to allow each team member to focus on what he or she does best, so we all excel together." said Mitchell.
