POSITIVE CHANGE CREATES HISTORY... BE THE CHANGE!

"This isn't your typical series of fashion events. If this were easy, everyone would be doing it. The way we are making this happen is through artists and models with huge social media following. CHANGE FASHION WEEK events will be made with A-Listers, Entertainment ICONS, Internet Viral STARS and beautiful models (male and female) so that we can start the process of ending racism and crimes of hate." - Emilio Torres CEO KQM Global LLC

KQM CHANGE FASHION WEEK events will be the light at the end of a long dark tunnel. We have all struggled with the pandemic shut-down and are better, stronger and ready to wake the sleeping giant in the performance arena to make CHANGE. The George Floyd incident has moved us to create CHANGE through positive fashion & musical entertainment performances. Bringing the world back to life through KQM CHANGE events while benefiting children who have lost so much, is not only the right thing to do, it's necessary.
