

# Award-Winning Singer-Songwriter Natalie Jean Releases New Country Single

*"At the end of the day, the world is craving authenticity and that is what I bring to the table." – Natalie Jean*

KENSINGTON, MD, USA, April 12, 2022 /EINPresswire.com/ -- Natalie Jean is excited to announce the much-anticipated release of her new Country single "Blocked".

Produced by Alexi Von Guggenberg, is readily available for purchase nationwide at the iTunes Store, Amazon.com, and various digital online stores. It is also available on all streaming platforms.

Says Natalie, "Blocked is a song that everyone can relate too. In the past three years, I know someone that has blocked something or someone out of their lives. Obviously, it is better to "agree to disagree", but sometimes that just doesn't work. Sometimes you reach that point where you must remove someone or that situation completely out of your life."

“

Living authentically brings peace of mind”
