

Los Angeles Times Festival of Books presents Crazy Time : A Bizarre Battle with Darkness and the Divine

LOS ANGELES, CALIFORNIA, UNITED STATES, April 12, 2022

[/EINPresswire.com/](https://EINPresswire.com/) -- L. Andrew Cooper's *Crazy Time: A Bizarre Battle with Darkness and the Divine* is a surreal horror novel about a woman who endures so many horrific tragedies that she believes she is in a crossfire between God and Satan. Andrew's work will be part of BookMarc Alliance's featured books for the Los Angeles Times Festival of Books slated for April 23 & 24 at the University of Southern California.

Kirkus Reviews raves, "Cooper's dark horror story is an uncomfortable, trippy, and original roller-coaster ride," and BlueInk Review reports, "Not unlike a Dali painting, L. Andrew Cooper's latest... is a strange fusion of surreal horror, dark fantasy, and spiritual speculation... powered by stunning imagery and laudable in terms of plot audaciousness... a bizarre and sometimes grotesque narrative."

L. Andrew Cooper specializes in the provocative, scary, and strange. His other published works include novels *Burning the Middle Ground* and *Descending Lines*; short story collections *Leaping at Thorns* and *Peritoneum*; poetry collection *The Great Sonnet Plot of Anton Tick*; non-fiction *Gothic Realities* and *Dario Argento*; co-edited fiction anthologies *Imagination Reimagined* and *Reel Dark*; and the co-edited textbook *Monsters*. After a decade of using his degrees from Harvard and Princeton to teach favorite subjects across the U.S., he settled in North Hollywood, CA, where he now focuses on writing.

Purchase your copy of this gripping novel at Amazon, Barnes & Noble and other online

bookstores.

About Bookmarc Alliance Advertising
