

# Mighty Paw Launches Strong Chain Leash Adding To Their Chew-Proof Line

*The family orientated dog gear company released a new chain dog leash that's designed for strong pullers, chewers and teething puppies.*

ROCHESTER, NY, USA, April 12, 2022 /EINPresswire.com/ -- Mighty Paw, creators of the Smart Bell, Sport Dog Harness 2.0 and other [innovative dog gear](#), announced the launch of their [Chain Dog Leash](#) as part of their [chew-proof dog gear](#).

The strong leash offers control for powerful dogs thanks to its stainless steel links that are resistant to corrosion and rust. Since that's not a soft material that dogs enjoy biting into, the leash naturally discourages chewing. It's best for medium to large dogs and features a zinc alloy carabiner clip that withstands 440lbs (200kg) of pulling force.

The Mighty Paw Chain Dog Leash is available in two lengths - 4' and 6' - and comes with a 360° swivel clip to avoid leash tangles.

Additionally, it features a soft neoprene-padded handle for ultimate comfort on walks.
