Asia Pacific is expected to be the dominant region in the sack kraft paper market over the forecast period. This is mainly attributed to increasing construction industry in this region, owing to increasing infrastructural and construction activities. According to India Brand Equity Foundation (IBEF), trust established by the Department of Commerce, Ministry of Commerce and Industry, Government of India, Emami Ltd., one of the leading FMCG companies (fast-moving consumer goods), is expected to invest US\$ 1.32 billion in 2017, to increase their production capacity of the cement from 2.4 million tons to 20 million tons by 2022. This is expected to positively affect the market, as sack kraft paper is significantly used for cement packaging.
