NEW YORK, NEW YORK, UNITED STATES, April 22, 2022 /EINPresswire.com/ -- Welcome the bounty of spring into your decor with the bright and beautiful [Spring Collection](#) of dried flower arrangements from East Olivia! This collection of dried bouquets of the prettiest preserved flowers reminds us of sunny-day strolls through the garden and bunches of handpicked flowers. From umbrella ferns to weeping bamboo, Our Spring Collection's whimsical waving plumes cheer for the arrival of Spring. Paired with our favorite handmade porcelain vases, the dried arrangements stand strong in any decor.

This collection is centered on the Bright and Breezy style trend. A collection of flowers, houseplants, and garden plants that complement each other due to their colors, shapes, and textures. They are a perfect fit for current trends in interiors, lifestyle, and fashion. This is the second edition of The Spring Collection since its launch in 2020.

Ten flowers and plants
