video games and comic books as Batman and his insurgents battle against a tyrannical Superman. Using the Brawl version of the Cerberus Engine, players land devastating blows and block their opponents' strikes. DC Deck-Building Game: Rivals – Flash vs. Reverse-Flash lets two players become part of the high-speed battle between the iconic rivals. Each player has three unique Character cards, each with more formidable abilities and a higher cost than the previous one.

The new DC Deck-Building Game: Multiverse Box is available in both a Super-Villains Edition featuring a Kickstarter Exclusive cover and a Super Heroes Edition.
